OFFICIAL POOL EQUIPMENT SUPPLIER

USA SWIMMING®

CS SERIES
SINGLE ELEMENT CARTRIDGE FILTER

Superior water filtration in a compact single-element filter that's simple to service.

Convenience and clarity go hand-in-hand with the Jandy® CS Single Cartridge Filter. A compact, durable body designed to fit tight spaces provides superior performance and dependable operation year-round while service-friendly upgrades make maintenance quick and easy.

- **Compact Design:** Simple maintenance in a compact design for tight spaces
- **Removable Locking Ring:** Updated locking ring can be completely removed for easy servicing and o-ring access
- **Larger Air Relief Valve:** Redesigned, larger ½-inch air relief valve is double the size of the original for faster air relief
- **Versa Plumb® Ready:** Game-changing equipment setup designed to improve hydraulic efficiency that's easier and faster to install
- **Easy Grip Handles:** Built-in ergonomic handles make removing the lid quick and easy
- **Durable & Long Lasting:** High-impact, corrosion and UV resistant thermoplastic tank body
- **Includes Unions:** Comes with 2" x 2 1/2" universal unions for easy connections
