PENTAIR

CLEAN & CLEAR®

CLEAN & CLEAR®

CARTRIDGE FILTER

Crystal clarity with cartridge convenience.

The Clean & Clear Filter combines top-end performance with low maintenance. This dependable design uses special filter elements to strip tiny particles as small as 20 microns from your pool water. (An average grain of beach sand is 1,000 microns!) Plus, cleaning is a breeze. Open the top, remove the cartridge, hose it off and the Clean & Clear Filter is ready to go again.

We've maximized cartridge surface consistency to block and trap the maximum amount of solids. We also use the most durable materials to extend cartridge life. The Clean & Clear Filter will keep your pool sparkling day in and day out.

CLEAN & CLEAR® CARTRIDGE FILTER

Carefree by design.

Like all Pentair cartridge filters, the Clean & Clear Filter features an easily cleaned cartridge for the ultimate in carefree pool filtration. The fiberglass-reinforced tank halves are secured with a locking ring—just loosen the ring and remove the top half for easy cartridge access and rinsing. Filter maintenance doesn't get any easier.

KEY FEATURES

Single-piece base and tank

Constructed of fiberglass-reinforced polypropylene for strength, chemical resistance and maximum durability.

High Flow™ Manual Air Relief Valve

Valve with continuous internal air relief works to maintain optimum filtration efficiency at all times.

1 ½" drain cap and washout

For quick and convenient maintenance and winterization.

Innovative lock ring

Requires only an easy half of a revolution for a leak-proof seal.

Easy to remove and rinse cartridge

2" plumbing

For maximum flow.

Locking ring

Allows easy and quick access to cartridge and internal parts.
